### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is granted subject to the requirements of prior rights on the source and on the stream system of which Deep Creek is a tributary. Such requirement for prior rights will be determined by the State Engineer. As a further condition of this permit it is required that the applicant construct and maintain a standard weir and headgate at his point of diversion from the source.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One cubic feet per second.

Actual construction work shall begin on or before August 1st. 1913.

Proof of commencement of work shall be filed before Sept. 1st. 1913.

Work must be prosecuted with reasonable diligence and be completed on or before Sept. 1st. 1913.

Application of water to beneficial use shall be made on or before August 1st. 1916.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before Sept. 1st. 1916.

WITNESS MY HAND AND SEAL this 3rd. day of June, 1913.

Map filed JUL 13 1913

Proof of labor filed AUG 13 1913

because of failure of applicant to comply with provisions of permit.

W. H. Kearney  
State Engineer.
